1 MS. DETRAZ: I'll make this short and sweet. My
NOV 09 1999
2 name is Marjorie Detraz and I'm the ninth child in a family of
3 thirteen. I was born and reared right here in Caliente, and I
4 love -- I love Lincoln County with all my heart and I love
5 Nevada with all my heart as do the people who live in Nevada,
6 and I thought maybe we needed a little recreation now or a
7 little entertainment, and so I've asked Marty Bushman, who is
8 going to sing "Home Means Nevada," and as he finishes the
9 second verse, we would like all of you to stand and sing the
10 chorus with him, and he will be accompanied by Bryan Elkins,
11 who is a member of the JCCCIAC Committee.

12 (The song "Home Means Nevada" is being
13 performed.)

14 (Applause).

15 MR. LAWSON: Thank you very much.

16 I would just ask if we could have a copy of the
17 music so the court reporter can learn to sing it, too.

18 Thank you very much.
